Paula Pelican: Life on the Lagoon

By Donna Good Higbee

Consumer Copy

The woods were filled with the calls of the birds and animals. 'There is a fire! There is danger!' Paula was frightened for her friends, when suddenly she had an idea. There is only one thing Paula Pelican loves more than flying, and that's helping others. Whether it's a drowning sailor, a forest fire, or a hungry village, each day is full of excitement as Paula enlists the help of her sisters and her forest friends to prove that life can be one amazing adventure if you just have the courage and faith to go the extra mile. Paula Pelican will teach, inspire, and entertain young readers, as author Donna Good Higbee writes about the importance of helping others in need.
